Yatzy for Windows Phone sets off 2014 with special free deal

To celebrate the great success of the past year and welcome the new challenges which 2014 will bring, Game.IO has prepared special limited time offer for Yatzy addicts. Yatzy, one of the top dice games for Windows Phone, goes free on 9th of January in partnership with myAppFree.

Millions of players worldwide joined the Yatzy challenge and beat hi-scores every day. Yatzy accelerates the thrill of winning with the Bet mode and puts on test players' skills when challenging the best Yatzy players worldwide in Online mode. The unique miltitabling feature is a real challenge even for the advanced Yatzy players and lets them keep the dice rolling simultaneously in up to 4 games in Yatzy, Maxy Yatzy or American Yatzy.

The [full version of Yatzy for Windows Phone](#) provides the ultimate experience of this dice game and all Yatzy enthusiasts shouldn't miss this opportunity to get it free of charge during this special 24-hour deal.

To keep up with the latest news and special offers, join Game.IO on [Facebook](#), [Twitter](#) and [Pinterest](#), or share your thoughts and experience with the game on support@game.io.

About Game.io: [Game.IO](#) is exclusive social casino multiplayer platform with Casino, Board and Dice reinvented games and provides the players with the best of classic and modern games in a new and exciting way. More at support@game.io.
